# MOUNTERA®

Overview of possible combinations in the Mountera® Quick-Lock System

The innovative **Mountera® Quick-Lock System** is a completely new concept for **quick and easy installation** of the latest camera and Panomera® systems. The Mountera® system consistently continues the **elegant design line** of the camera systems, allowing visually appealing and yet **robust installations without visible cables**. The comprehensive system offers a wide range of **mounting options** and, in combination with the power supply or recording on site, it is also attractive for its **discreet installation that is reduced to the essentials**.
