

Multi-function Wire Tracker

Model: NTT-TM9

Main Features:

- ✧ Tracking RJ11, RJ45 cables and other metal wires;
- ✧ Check wire sequence of Ethernet cable;
- ✧ Emitter with RJ11 connector and pair of alligator clips;
- ✧ Low voltage alarm function.

Tool Compatibility

Working Current	≤ 10 mA (Emitter), ≤ 30 mA (Receiver)
Signal Transmission Format	Multi-frequency impulse
Signal Output Electric Status	8 Vp-p
Signal Transmission Distance	≥ 3 km

General

Dimension	Emitter: 126x49x34 mm (LxWxH)
	Receiver: 175x42x27 mm (LxWxH)
Net Weight	Emitter: 60 g
	Receiver: 72 g
Gross Weight	335 g (color box)

Package List	1x Emitter
	1x Receiver
	1x Earphone
	1x RJ11 telephone Cable
	1x RJ45 Cable,
	1x Cable with RJ11 Connector & Alligator Clip,
	1x User Manual,
	All above items are packaged in a tool bag.
