

OPC-5 DG

OPC-5 DG is a complete dark grey enclosure designed for selected surface-mounted ceiling motion detectors from the SLIM LINE series. It replaces the standard white enclosure, allowing the detector to match the colour of the ceiling.

Installation involves transferring the plastic cover together with the detector electronics board into the new enclosure.

- designed for the following detectors: **SLIM-S-PIR**, **SLIM-S-DUAL**, **SLIM-S-PIR-LUNA**, **SLIM-S-DUAL-LUNA**, **SLIM-S-PIR-LUNA BUS**, **SLIM-S-DUAL-LUNA BUS**, **APC-200 S**, **APMC-250 S**
- dark grey colour
