

(PS6D)

Eaton Protection Strip 6 DIN

General

Topology	Surge protection device
Typical Application	<ul style="list-style-type: none"> • Computers, NAS, peripherals • TV, Video, Hi-Fi equipment, Home cinema, etc. • Internet gateways • Gaming console • Household goods, etc.
Part Number	PS6D
Colour	Black
Power Rating	10A / 2500W
Dimensions (H x W x D, mm)	41 x 52 x 390 mm
Weight (kg)	0.379 kg
Warranty	2 years warranty Product standard exchange ; warranty for connected equipment up to 20,000 €

Electrical Input

Connection	 (1)DIN
Input Voltage Range	220 – 250 Vac
Protection	Surge protection
Installation	Requires earth connection

Electrical Output

Outlets	 (1)DIN
Output Frequency	50 / 60 Hz

Certifications & Compliance

Certifications	CE / EAC / CM
Compliance	IEC 60884-1 / IEC 60083
Quality and Environment	ISO 9001, ISO 14001

Due to continuing product improvement programs, specifications are subject to change without notice.
